

# JOIN SMA PTO

For just \$5 a family you can help in making a positive & enriching experience for our children.

Since the opening of South McKeel in 2006, our PTO has been instrumental in creating a better school for both the students and staff. PTO involvement can be seen in many areas, from behind the scenes, to inside the classroom, to the school's front drive! With your participation in PTO membership, spirit gear sales, PTO annual fundraisers, and corporate sponsorships; we were able to accomplish many annual and new events/projects in 2010/2011.

## Annual events:

- Teacher Kick Off Breakfast
- Celebrations for Honor Roll & FCAT
- Student Birthdays for K-4
- Teacher Birthdays for K-7
- Christmas Float
- Spring Fling for all grades
- Teacher Appreciation Week

## 2010/2011 PTO Funded:

- Technology Grants for a digital piano, Kindles, netbooks and many others items used in our classrooms and music department
- Swimming trips as part of grades 5-7 PE curriculum
- A portion of the covered pavilion & campus beautification including the new benches, river rock and shrubs in the front planters
