

The Wildcat Junior Choir (4th Grade)

**Second Semester Rehearsals begin on Wednesday, January 19, 2022 at
7:40am in the SMA music room.**

Directors: Mrs. Meche and Mr. Parish

Meeting Days:

We rehearse on Wednesday mornings from 7:40am-8:10am in the music room. It is a club, so it carries some sacrifice and commitment in time and effort on the part of the students and parents.

The first second semester rehearsal is on Wednesday, January 19, 2022 and the choir will continue meeting through the end of the school year.

Car Riders: Students should be in the music room promptly at 7:40am to get rehearsals started on time. In order to make this happen, chorus students that are car riders will need to plan accordingly. There will not be a special entrance or car tag, so you will need to get in the regular car line, which will begin unloading students at 7:30am and come directly to the music room.

Bus Riders: Buses begin unloading at 7:15am and most of the buses will get here on time. If your bus is one of the later buses, you may need to be a car rider on chorus days.

Choir Goals and Expectations: The purpose of the 4th Grade Wildcat Junior Choir is to have a separate choir program that focuses on good singing technique, singing in parts, and sight-reading, which will give them a great foundation for other choirs in middle school, church, or simply for personal enjoyment.

- The choir will focus on performing at our school music programs including the December Holiday Concert and the March Spring Music Extravaganza.
- On chorus practice days, parents are responsible for providing or arranging for consistent transportation.
- Students will be expected to display excellent behavior at all times.

Sign-Ups:

Follow the link below to complete the registration form.

You do not need to have prior experience to sign-up. The only requirement is a \$10 registration fee which includes a chorus t-shirt to be worn at all chorus concerts and may be worn on Fridays during the school year.
