Hi everyone! I'm so excited to meet my next class of amazing scientists! We are going to be learning quite a bit, while also having a lot of fun! I love to learn hands-on and believe this is best when teaching any subject. A little bit about me: this will be my 15th year teaching, I have 4 children, plus 2 bonus kids! I am super excited for this year. Please do not hesitate to contact me for any reason!
