

How many of the lost sheep are rams or ewes? —

**The Rhyme**

Little Bo-Peep has lost her sheep  
 And doesn't know where to find them;  
 Leave them alone, and they'll come home,  
 Wagging their tails behind them.

**The Clues**

Little Bo-Peep has a flock of 27 sheep.  
 15 sheep are not lost, but the rest are.  
 3 of the lost sheep are lambs.
