

---

# 7th Grade Parent Night

## Algebra

---

Mrs. Georgevich  
September 9, 2019

---

# High School Course

---

- ❖ This IS a high school course
- ❖ Grade earned will reflect on high school permanent record
- ❖ This will start their high school GPA
- ❖ Should be demanding-may require extra work, getting help for difficult concepts

---

# EOC

---

- ❖ May 2020
- ❖ Two test sessions
- ❖ One with a calculator, one without
- ❖ Maximum of 68 questions between two sessions
- ❖ Worth 30% of their grade
- ❖ Must pass to graduate
- ❖ Students will NOT take 7th Grade FSA Math.

---

# EOC - Training Test

---

- ❖ <http://www.fsassessments.org/training-tests>
- ❖ Just to be used to familiarize students with the format of the computer based test program. Do NOT pay attention to the content of the questions as it will include more than just Algebra 1 standards.

---

# Resources

---

- ❖ Pearson Textbook - App or Link on website- Students have log in information
- ❖ Algebra Nation- Free resource from University of Florida— Videos and practice questions!! Students have log in information
- ❖ Khan Academy
- ❖ CPALMS- Student resources

---

# Canvas

---

- ❖ Canvas - Explore with your student!
- ❖ Grade in Canvas is NOT the actual grade (use [systems.mckeelschools.com](https://systems.mckeelschools.com))
- ❖ Modules, Modules, Modules!! I organize EVERYTHING in Canvas through Modules. Once Modules has been selected students will select the current unit and everything will be there.
- ❖ All modules will stay unlocked throughout the year so that students can continuously review and prepare for FSA / EOC and their cumulative final exam

---

# Websites & Calendars

---

- ❖ Class Calendar on Canvas
- ❖ My Website
- ❖ IXL (usually assigned to 80% / or 30 minutes)

---

# Homework and Coaching

---

- ❖ Homework policy - homework IS checked, but it is NOT part of a student's grade
- ❖ Coaching Time is every morning from 7:30 - 8:30. Students can visit any of their teachers during this time for extra help, to make up work, and to ask questions.

---

# Calculator - TI-30Xa

---

- ❖ Please make sure your child has the correct calculator. Model number matters! (It's the same as last year.)
- ❖ Should be around \$10.
- ❖ Must have by end of September

---

# Contact

---

- ❖ Questions? Concerns? Comments?
- ❖ Email is the best way to contact me:  
[wendygeorgevich@mckeelschools.com](mailto:wendygeorgevich@mckeelschools.com)
- ❖ I will respond as soon as possible.
- ❖ Thank you for coming tonight!!
