
WELCOME TO 7TH GRADE
PARENT NIGHT

Thursday and Friday, January 30-31
\$135 Student

- SeaWorld will provide us with a set schedule when we arrive. We will be participating in educational, life science standards based activities as well as an animal encounter.
- Students will sleep in the Beluga, Coral Reef/Shark, Sea Turtle, Dolphin, Manta Ray, or Penguin Encounters with their groups.
- Meals - Pizza on Thursday night, Continental Breakfast on Friday Morning, Meal Vouchers on Friday
- Payment Information: All payments are due by Monday, December 16th. You may make partial or full payments in the following ways:
 - Cash, Check, Online Payment

Chaperone Information

- Due to space constraints, we are limited as to how many chaperones can attend. For this reason, if the number of people interested in attending exceeds the number of chaperones needed, names will be randomly selected.** If you are interested in chaperoning, please fill out the form and return it to your child's homeroom teacher by 10/01.
 - The cost for each chaperone is \$115.** This price includes admission to SeaWorld and 3 meals while at SeaWorld. This price **does NOT include transportation.** You will need to drive and meet us there (your child must ride the bus to SeaWorld).
 - Because this is an overnight trip, you will be responsible for a group of students from the time we arrive at SeaWorld on Thursday, until we leave on Friday.
 - Keep in mind that we will be sleeping in sleeping bags on the floor and that there is no where to take a shower.
 - There will be a mandatory chaperone meeting on Thursday, January 30th at 2:30 p.m.
-
