

7th Grade Parent Night

Mrs. Georgevich
September 9, 2019

Canvas

- ❖ Canvas - Explore with your student!
- ❖ Grade in Canvas is NOT the actual grade (use systems.mckeelschools.com)
- ❖ Modules, Modules, Modules!! I organize EVERYTHING in Canvas through Modules. Once Modules has been selected students will select the current unit and everything will be there.
- ❖ All modules will stay unlocked throughout the year so that students can continuously review and prepare for FSA / EOC and their cumulative final exam

Websites & Calendars

- ❖ Class Calendar on Canvas
- ❖ My Website
- ❖ IXL (usually assigned to 80% or 30 minutes)

What is a “Flipped Classroom”?

- ❖ A “flipped classroom” is a classroom where what used to be class work (the "lecture") is done at home via teacher-created videos and what used to be homework (practice problems) is now done in class.
- ❖ This allows students to get individual time in class to work with their teacher on key learning activities.
- ❖ Traditional Classroom

What does this mean for you at home?

- ❖ Your student could be assigned 1 or more videos/presentations per week.
- ❖ These videos will be 5-10 minute instructional videos that were created by us. Your student will be taking notes during the video and answering 2-4 follow up questions after the video.
- ❖ Remember, even if IXL is not assigned, it can ALWAYS be used for review and/or extra practice! :)

Homework and Coaching

- ❖ Homework policy - homework IS checked, but it is NOT part of a student's grade
- ❖ Coaching Time is every morning from 7:30 - 8:30. Students can visit any of their teachers during this time for extra help, to make up work, and to ask questions.

Calculator - TI-30Xa

- ❖ Please make sure you purchase your child the correct calculator. Model number matters!
- ❖ Should be around \$10.
- ❖ Must have by end of September
